The River Thames Boat Project gives people the chance to access the Thames, to discover this fascinating river and learn about its environment. The Project provides opportunities for personal and social development, and encourage people to become more independent by participating in running the *Richmond Venturer*, a specially adapted barge.

SPEAR

SPEAR is a charity working with homeless people in and around Richmond. It operates a hostel, an outreach team, a tenancy support service, a rent deposit scheme, a young persons' project and a team working with people who have drug and alcohol problems. Over the last 21 years, SPEAR has offered services to thousands of homeless and vulnerable people.

Thank you for travelling with St Mary's Singers!
